
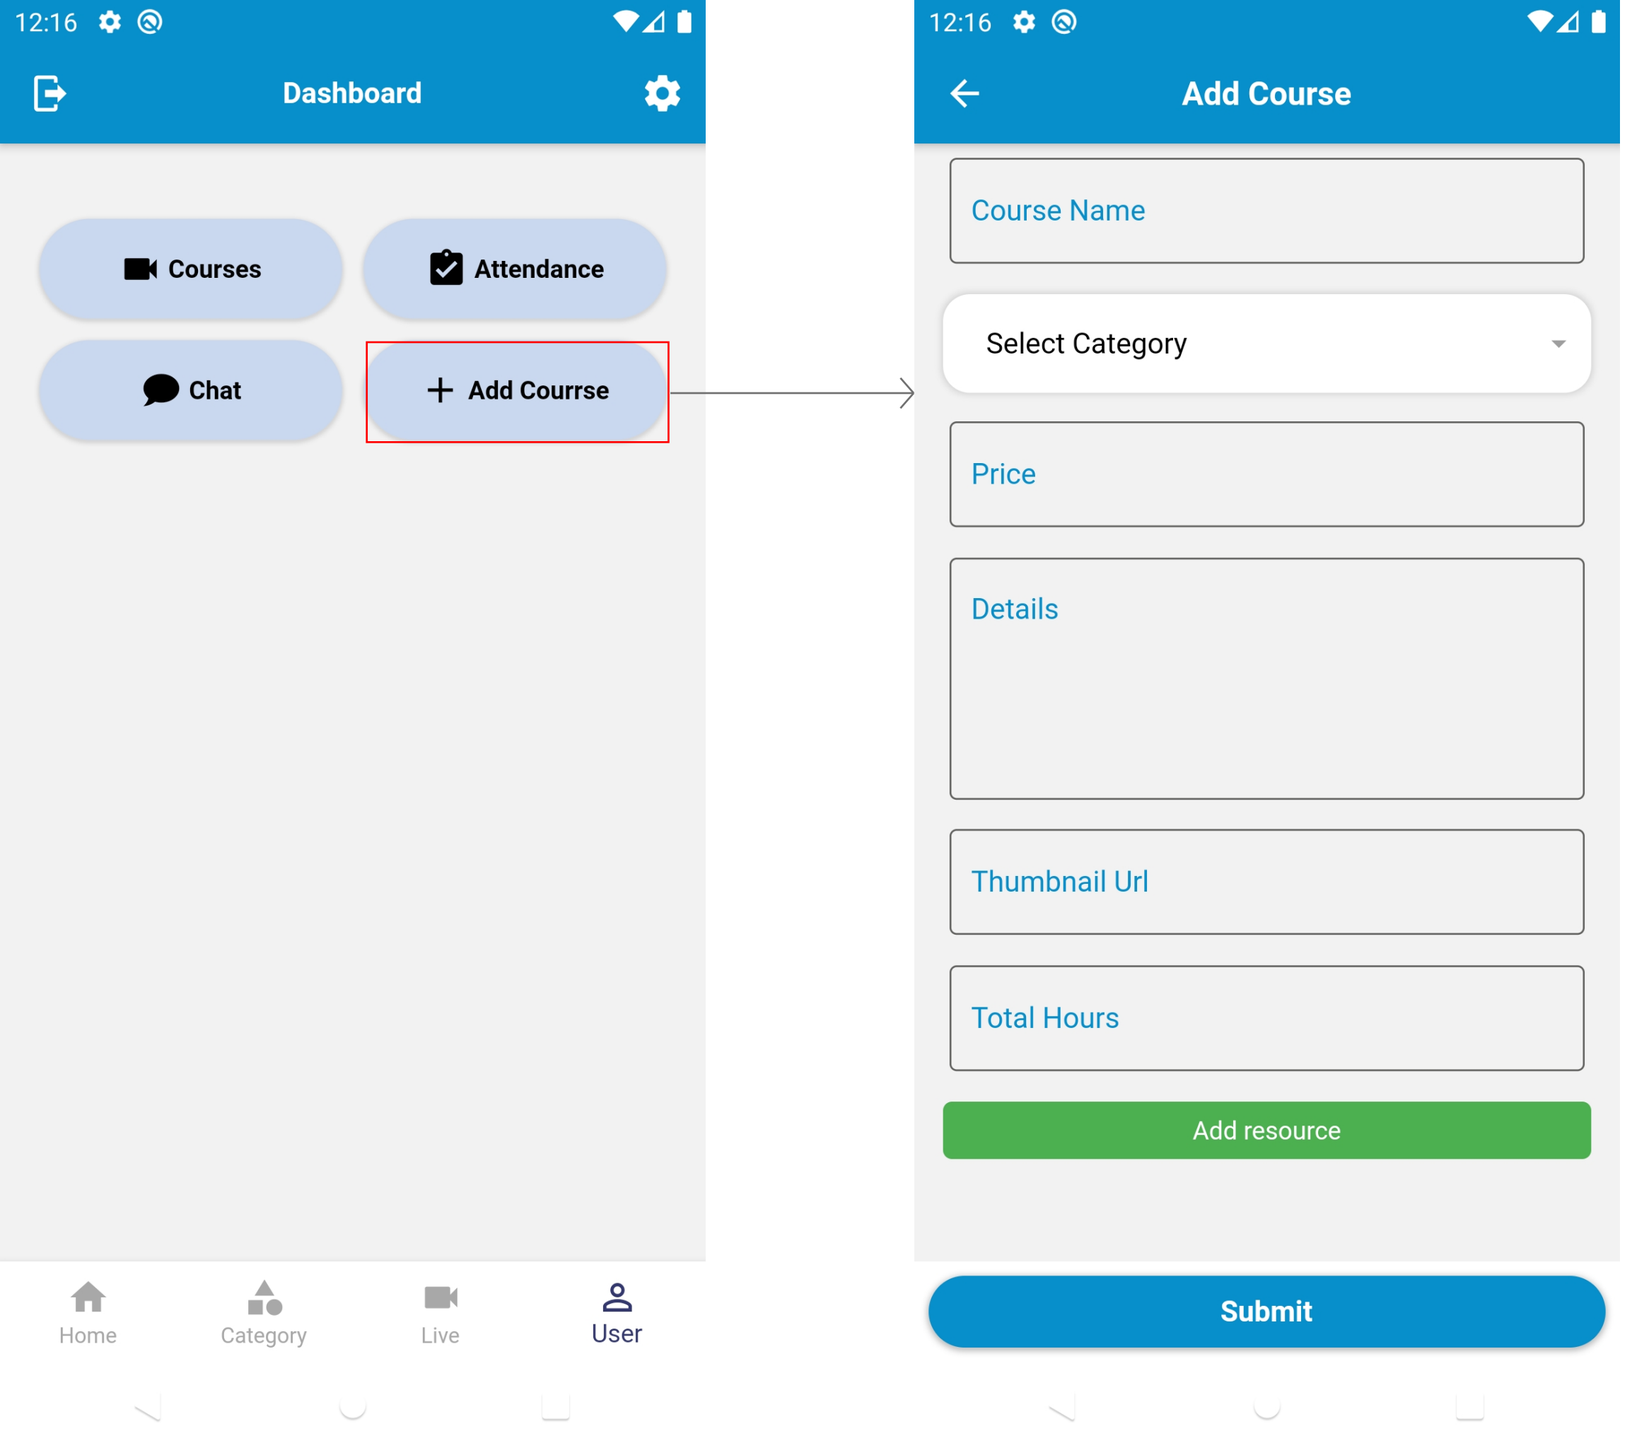
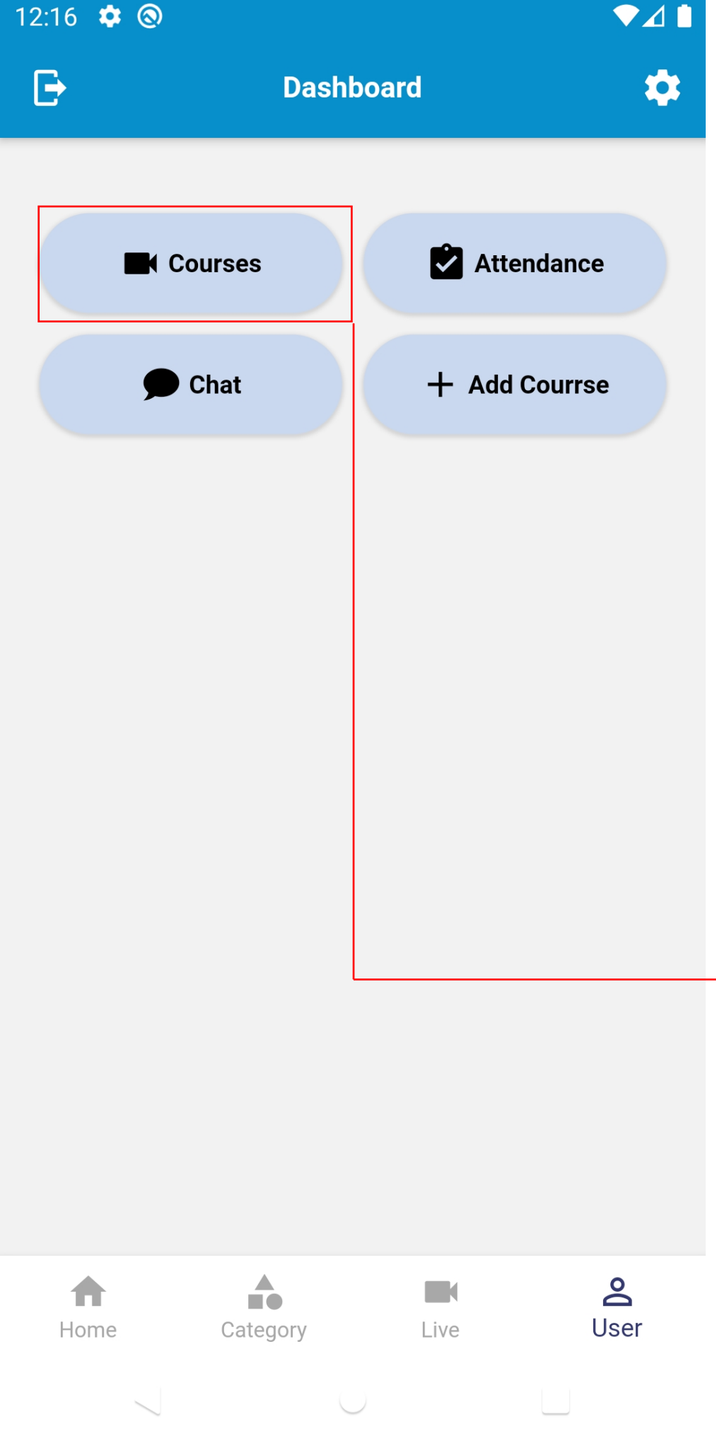
TEACHERS DASHBOARD



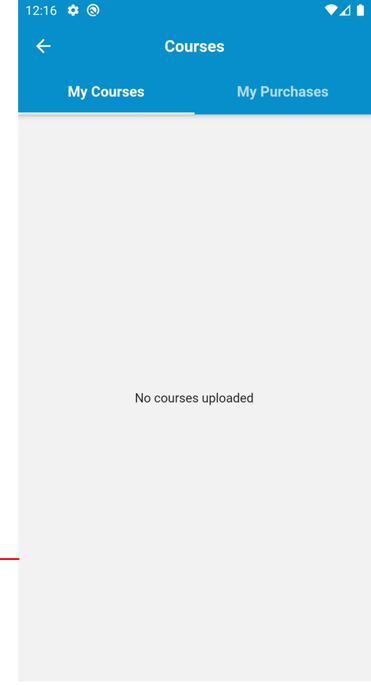
Add course

Courses can be added only if a category is present.

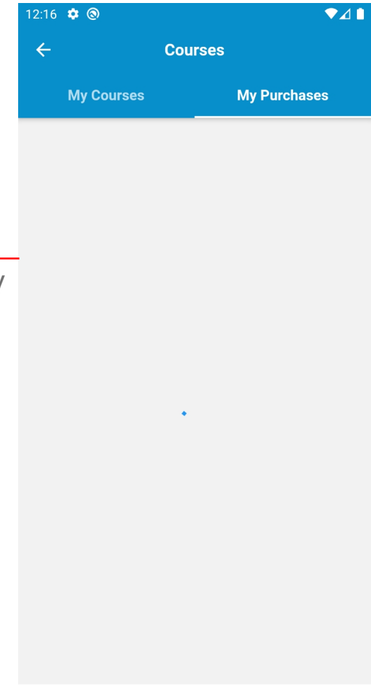
Teachers can upload as well as buy courses

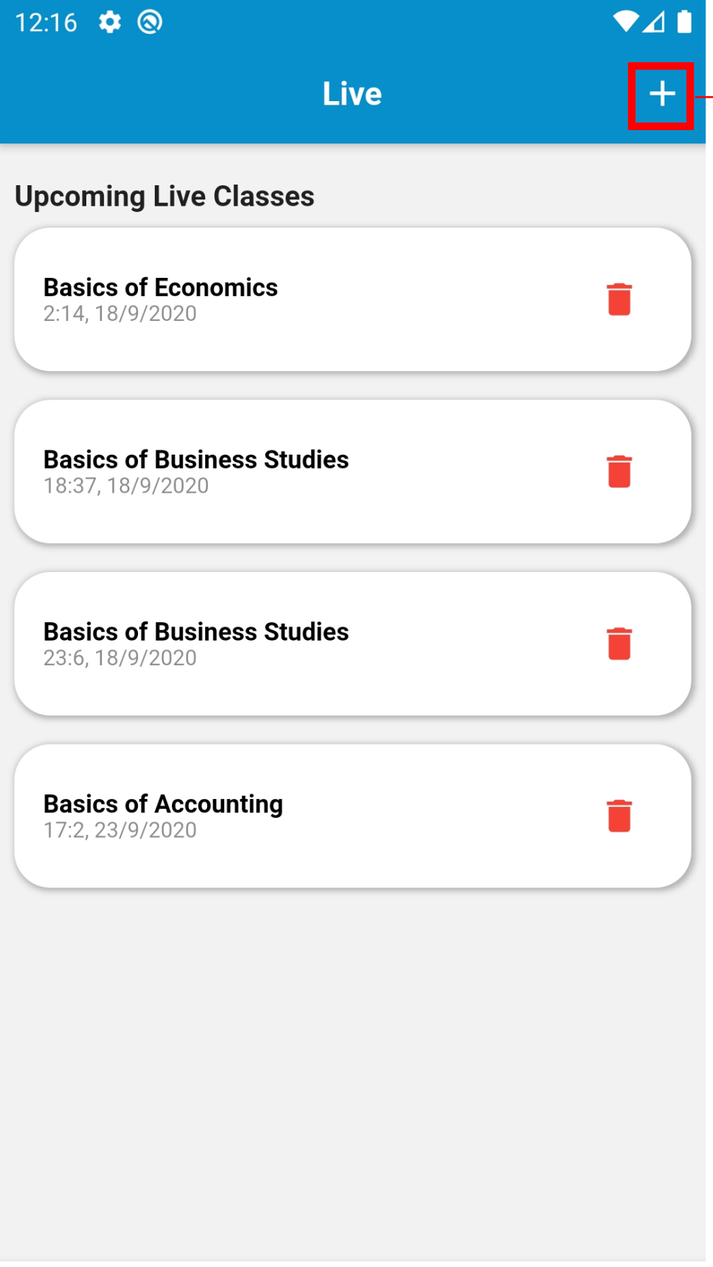


Uploaded courses by the teacher



Courses bought by the teacher

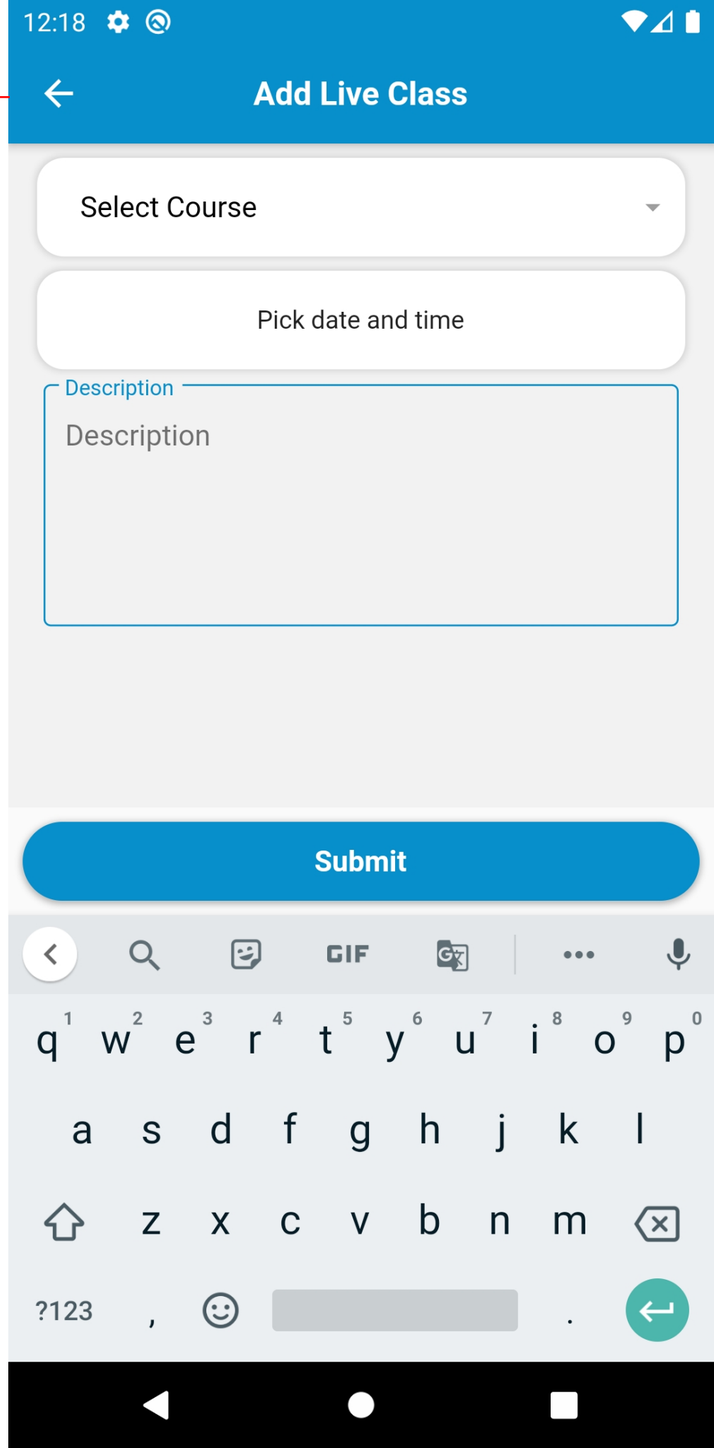


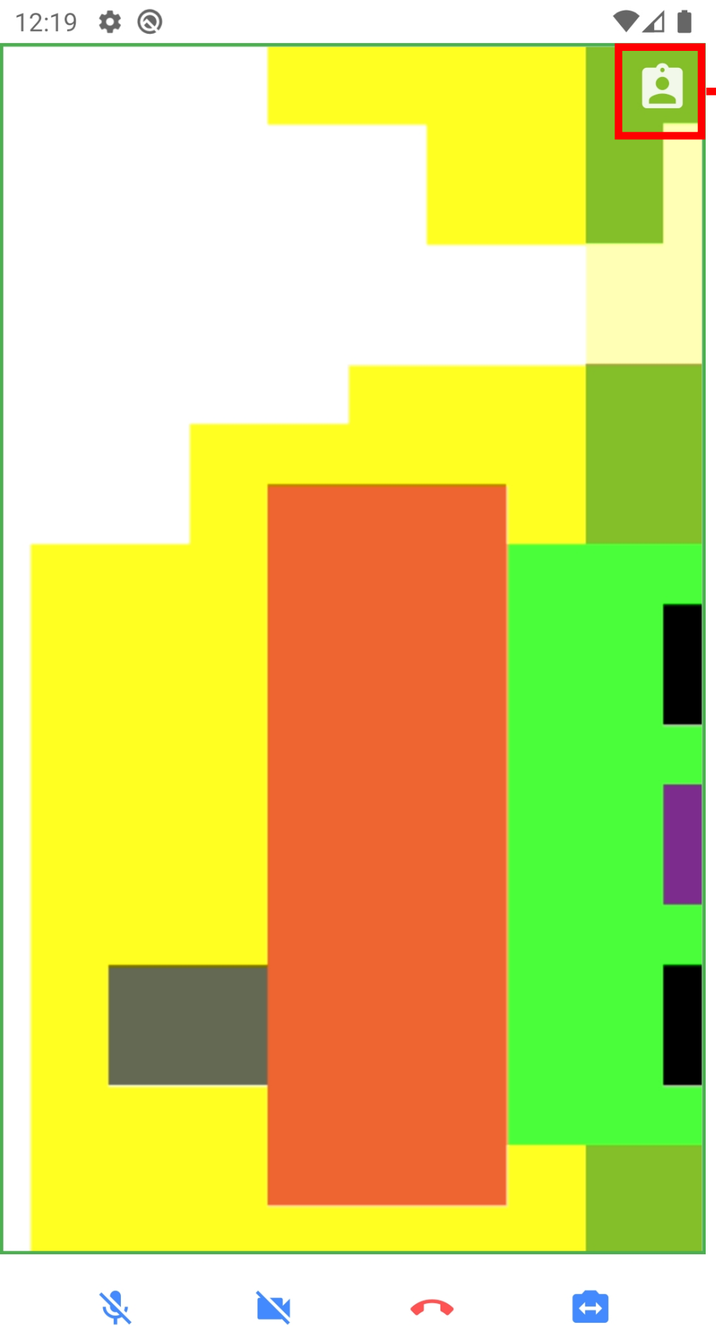


Teacher can add a live class only if they have added a course

A teacher cannot add a live class for any course that had not been uploaded by him/her

1. Select a course from the list
2. Pick a date and time
3. Add Description about the class

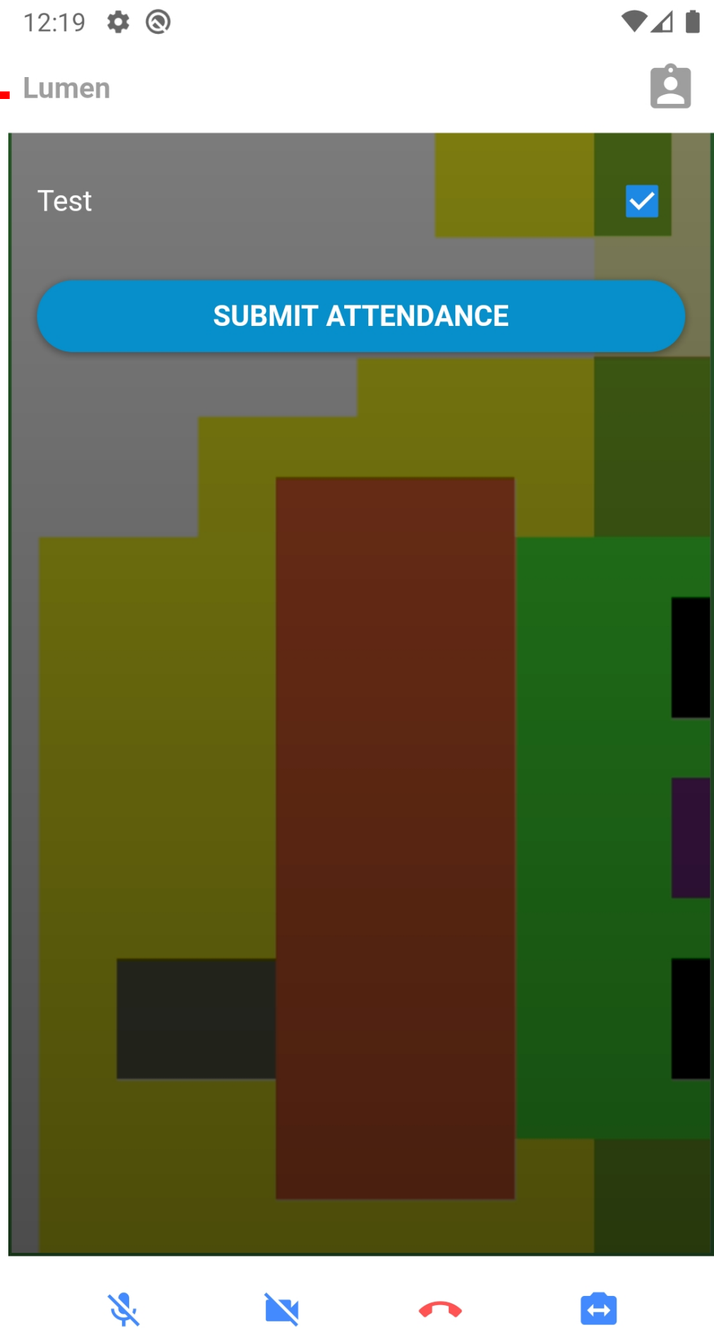


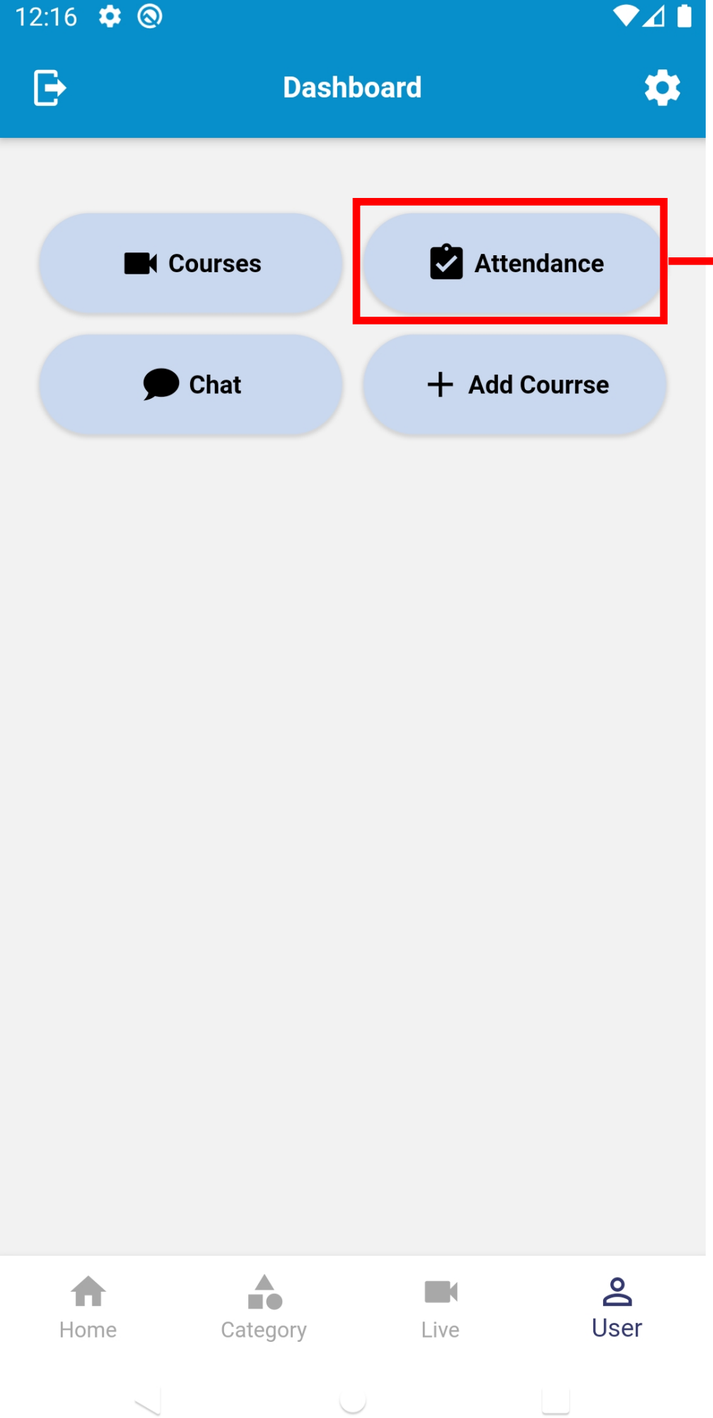


Tap on this button to add attendance

This will list all the students that have enrolled for the particular course

Mark the attendance and tap on submit button





The attendance marked by the teacher can be viewed in this page
